

Help animals in need. Rescue Me Georgia is dedicated to saving and re-homing as many animals as they can with the Adopt, Don't Shop campaign.

Dear Mr. John Smith,

I hope this letter reaches you in the best of places and that you will take a moment to help an animal who needs you.

Nearly 6.3 animals go into shelters each year and only half of them get adopted, meaning the other half is sadly put down. Even with facts like that and people are still willing to pay hundreds and even thousands of dollars for an animal from a breeder.

Rescue Me Georgia has created the Adopt, Don't Shop campaign to spread awareness of how important it is to visit your local shelters when looking to add a new furry member to your family.

If you are someone who is thinking about adopting a dog or cat but wasn't sure where to start looking, Rescue Me Georgia is here to help. We always have several pets up for adoption or they can get you in contact with your local shelter.

We hope that you would still consider making a donation to Rescue Me Georgia, so we can provide better resources and care to those currently in our foster and adoption system.

Thank you for taking the time to read this letter and we do hope you'll consider this invitation to help Rescue Me Georgia with supporting all of our four-legged friends.

We look forward to hearing from you soon,

P.S. We have been very lucky to have some amazing help thus far, but we still have so many more people to help. Whatever you can spare, \$15, \$10, or even \$5, is always greatly appreciated. Rescue Me Georgia won't be the same without your help!
